CAPABILITY STATEMENT

CORE COMPETENCIES

Logan Currito is a **Service Management company** with a remarkable 16 years of successful operation. With our specialized expertise, we provide a comprehensive range of administrative, human resources, process, physical distribution, logistics, and other management services to clients in the foodservice, construction (build-out), and facilities sectors.

Our mission is to plan and coordinate all those activities necessary to achieve desired levels of delivered service and quality in a positive and reliable manner.

KEY DIFFERENTIATORS

Extensive Experience: With a remarkable 16-year track record, we bring a wealth of experience and industry knowledge to every project. Our deep understanding of the foodservice sector, along with our expertise in construction and facilities, allows us to deliver tailored solutions.

Comprehensive Service Range: We go beyond just food service management. This comprehensive approach allows us to offer holistic solutions that address multiple aspects of our clients' businesses, resulting in efficiency and success.

Professionalism and Reliability: We prioritize open communication, transparency, and building strong partnerships with our clients. Our commitment to providing reliable and dependable service, coupled with our dedication to customer satisfaction, instills confidence and trust in our clients.
